## *A Message from Harold & Wendy Nesbitt*

There is nothing quite like the first ride of the season. If you've been anxiously awaiting spring, no doubt it was a bit brisk...but invigorating!

And that is just what the summer in Nova Scotia will be this year. We have a great line-up of rallies to attend and loads of fundraising rides to cure the weekend blues.

If you are a first time visitor to our shores, we welcome you to a vacation of a lifetime, and hope we convince you to come back again and again.

Our temperate climate makes for comfortable riding, and with the majority of our highways hugging the coastline, you will enjoy the ocean air on those hot summer days and evenings.

Inland riding will reward you with vistas of green forests, gentle mountains, and deep valleys with acres and acres of vineyards and farmlands.

Take a deep breath of our clean, fresh air and enjoy our laid back lifestyle. Be prepared to be waved to and personally greeted by locals who will willingly give you directions or help when needed. We're a friendly bunch and like to talk (that old skill people did before texting and emails)!

Then make the time to really enjoy our summer evenings. The sun sets later here so there is no reason to be in a rush. Your hotel, motel or B&B will gladly hold your room later than the standard 6pm check-in time. Just ask when booking.

Now once the sun sets, try to star gaze at least one night and you will be amazed at the sights. With little pollution darkening our skies, you may find yourself feeling like a kid again as the Milky Way lights up the sky.

Ride safe getting here...and maybe we will meet on the road this summer.

***Current motorcycle rallies & events for MAY are listed on the last page.***
