## From the Editor: Are we having fun yet?

Amazing what good weather does for one's spirits and overall health. Enjoying nature and the great outdoors is what this sport is all about!

Why be a couch potato when you can ride through the countryside and experience the sights, sounds and clean air of our beautiful surroundings in real life!

If you are new to our newsletters you will find discounts from our motorcycle-friendly sponsors that want to make your trip both memorable and smooth running. Then at the end we have listed the runs and rallies that are taking place in the last weeks of July, and the month of August.

Remember to book your reservations early for the larger rallies to avoid disappointment,

See you at the Cape Breton Rally in Membertou CB next week, then later in Shediac, NB & Digby, NS!
