From the Editor:

Are you ready to pile on some miles?

It was a long winter and a spring that seemed to never end...but the sunshine, warm breezes and blue skies are finally here. This is what we waited for and we have got an action-packed line up of summer events here in Atlantic Canada!

It's Canada's birthday (and Harold's on July 1st) so as you celebrate with friends and family, be thankful for the wonderful country we call home. If you are visiting from away, explore our countryside and enjoy the sights, sounds and clean air of our everyday life!

If you are new to our newsletters you will find discounts from our motorcycle-friendly sponsors that want to make your trip both memorable and smooth running. Then at the end we have listed the runs and rallies that are taking place in the last weeks of June, and the month of July.

Remember to book your reservations early for the larger rallies to avoid disappointment,

See you at the Atlanticade in Moncton, NB this week June 22-25!
